Remote Deposit

Remote Deposit allows you to electronically deposit checks right to the bank, all from the convenience of your office. All you need is a computer, a high speed internet connection and a scanner.

Is Remote Deposit Capture right for my business?

It may benefit your business if you:

- Have multiple locations
- Make deposits after normal business hours
- Receive checks with larger dollar amounts

Benefits

- Make deposits anytime (Deposits must be transmitted prior to 6pm CST for same day credit)
- Save time and reduce your transportation costs
- Streamline business operations
- Deposits are encrypted
- Download activity to Quickbooks and other popular software
- Retention – view deposits up to 60 days
- Deposits are balanced by the software prior to transmitting
- Multiple locations can individually process their deposits

Product Details

- No set-up fees
- Competitive monthly fee
- Multiple scanners available for customer purchase
- Deposits received prior to 6 p.m. are processed same day
- Remote Deposit requires a Business Checking account
