David Ulrich, Jr. is our founder’s son, Frank Bauer is our founder’s brother-in-law and Rebecca Ferguson and Thomas Ulrich, Jr. are grandchildren of our founder. Rebecca Ferguson is also the daughter of Brian McGarry.

Messrs. Beres, Dedrick, Gerardin and McGarry are the only executive officers of the Corporation nominated to the Board of Directors. Each of their ages, positions and offices with the Corporation and period during which each has served as such are as set forth in the above table.

Because the Corporation is not listed on a national securities exchange, it is not subject to any director independence requirements. However, all of the directors except Messrs. Beres, Dedrick, Gerardin and McGarry are independent in accordance with the definition of independence in Rule 5605(a)(2) of the NASDAQ Stock Market.

Director Nominations

Due to the infrequent turnover among the Corporation's directors, the Board has historically found it not necessary or appropriate to establish a separate nominating committee. The review of recommendations for and the selection of nominees to Board membership for this proxy was handled by the Board serving as a committee of the whole. No nominating committee charter has been adopted by the Board of Directors serving in their capacity as a committee of the whole.

At its April 22, 2020 meeting, the Board of Directors created a nominating committee consisting of directors Craig C. Dedrick, Scott D. Gerardin, William N. Beres, Robert W. Orth and Thomas Ulrich, Jr. This committee will identify and evaluate all future nominees for the Board of Directors and present its recommendations to the full Board of Directors for action. The nominating committee will create a charter to be approved by the Board of Directors at a future meeting.

The nominating committee will identify nominees based upon suggestions by non-management directors, management members and/or shareholders. The Board considers various attributes to be important, including the individual's integrity, general business background and experience, experience with the banking industry, and the ability to serve on the Board of Directors. In carrying out its responsibilities for locating, recruiting and nominating candidates for election as directors, the nominating committee will take into account diversity as one of the factors in its considerations. Aspects of diversity considered include professional or business experiences, gender, race, national origin, specialized education or work experience and viewpoints.

Compensation Oversight

The Corporation's compensation system is not complex. Compensation of the executive officers of the Corporation is reviewed by the Board serving as a committee of the whole (with each director who is also an officer of the Corporation being excluded from participating in the consideration of his own compensation). The Board of Directors believes that each of the Board members should have input into the compensation of the Corporation's executive officers. The Board does not operate under a formal written charter with respect to executive compensation matters. The Board reviews and approves the salaries and other compensation of the Corporation's executive officers. The Board did not retain the services of any compensation consultants in carrying out its duties during 2019.

Board Attendance

The Board of Directors held five meetings during 2019. All incumbent directors attended 75% or more of the aggregate meetings of the Board and the committees on which they served during 2019. Directors are encouraged to attend the annual meeting of shareholders, but the Corporation has not adopted a formal policy requiring attendance at the annual meeting.

Shareholder Communications

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board. Informal communications have been sufficient to communicate questions, comments and observations that could be useful to the Board. However, shareholders wishing to communicate with the Board of Directors may contact the Chairman of the Board, c/o Tri City Bankshares Corporation, 6400 South 27th Street, Oak Creek, Wisconsin 53154.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. The Audit Committee is governed by a written charter approved by the Board of Directors. The current members of the Audit Committee, all of whom are non-employee directors, are Messrs. Miller (Chair), Bauer, Fedderly and Thomas

Ulrich, Jr. All of the members of the Audit Committee are independent in accordance with the definition of independence in Rule 5605(a)(2) of the NASDAQ Stock Market. The Board of Directors has determined that Mr. Miller is a financial expert.

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements with both the independent auditors and management including the discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee discussed with the Corporation's internal auditors and independent auditors, Baker Tilly Virchow Krause, LLP ("Baker Tilly"), the overall scopes and plans for their respective audits. The Audit Committee meets with the internal auditors and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. The Audit Committee held five meetings during 2019.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report for the year ended December 31, 2019 for distribution to shareholders.

Michael J. Miller, Audit Committee Chair
Frank J. Bauer, Audit Committee Member
Sanford Fedderly, Audit Committee Member
Thomas Ulrich, Jr., Audit Committee Member

LOANS AND OTHER TRANSACTIONS WITH MANAGEMENT AND DIRECTORS

The Corporation has never made any loans to any of its officers or directors. However, in the ordinary course of business, the Bank made loans during 2019 to officers and directors of the Corporation, and to business firms in which officers and directors of the Corporation are officers, owners, or in which they have a substantial interest. The loans were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans to unaffiliated persons or firms, and do not involve more than a normal risk of collectability or present other unfavorable features.

NDC LLC owns certain buildings occupied by the Corporation and the Bank, including the Corporation's central office in Oak Creek, and Bank branch offices located in Milwaukee, Kenosha and Waukesha. NDC LLC is a limited liability company owned by members of the Ulrich family, their spouses and related trusts, including David A Ulrich, Jr. (a director of the Corporation), Thomas Ulrich, Sr. (whose son Thomas Ulrich, Jr. is a director of the Corporation) and Kathleen McGarry (whose spouse, Brian T. McGarry, is Chairman of the Board and Chief Executive Officer of the Corporation and whose daughter Rebecca Ferguson is a director of the Corporation). The central office building lease has a term through 2022 and the branch offices have lease terms ending from 2022 through 2025. All of the leases have multiple options for renewal by the Bank. The aggregate annual rent for 2019 paid in connection with the aforementioned leases was \$813,914. The rent is subject to adjustment based on increases in the consumer price index. The Corporation and the Bank are also obligated to pay their proportionate shares of property taxes, insurance and maintenance costs associated with the buildings.

Disinterested members of the Bank's Board of Directors must approve all loan transactions with related parties. Such transactions must be on substantially the same terms as those prevailing at the time with other non-insider individuals or companies. In accordance with applicable banking regulations, including Regulation O promulgated by the Federal Reserve Board, the Bank's Board of Directors reviews any loan made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceeds \$500,000 and such loan must be approved in advance by a majority of the disinterested members of the Bank's Board of Directors.

OTHER BUSINESS

The Board of Directors knows of no other business, which may come before the annual meeting. In the event that any other business comes before the meeting, the persons named in the proxy shall vote in accordance with their best judgment.

VOTING OF PROXIES

The presence, in person or by proxy, of the holders of a majority of the shares of the Common Stock outstanding on the Record Date is required for a quorum with respect to the matters on which action is to be taken at the annual meeting. Abstentions and broker non-votes (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner to vote shares as to non-routine matters, with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining a quorum. **Prior to 2010, the election of directors was considered a routine proposal for which brokers and nominees could exercise their discretionary power to vote without direction by the beneficial owner of such shares. Brokers and other nominees are no longer permitted to vote shares in the election of directors without direction from the beneficial owner of such shares. Therefore, we urge shareholders who hold their shares in "street name" to follow their broker's or nominee's directions for providing instructions as to how the broker or nominee should vote their shares.** Proxies received by the Board of Directors will be voted in accordance with the specifications indicated by the shareholder and unless authority to vote upon the election of the directors, or as to individual nominees, is withheld, the proxies will be voted FOR all of the nominees listed in the proxy statement.

Directors are elected by a plurality of the votes cast by holders of the Corporation's Common Stock entitled to vote at a meeting at which a quorum is present. In other words, as long as a quorum is present at the annual meeting, the twelve nominees who receive the largest number of votes will be elected as directors. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect in the election of directors.

INDEPENDENT AUDITORS

The financial statements of the Corporation for the year ended December 31, 2019 have been audited by Baker Tilly, independent public accountants.

The Audit Committee pre-approved all audit and allowable non-audit services provided by the independent auditors in accordance with policies and procedures established by the Audit Committee, which include review of the engagement letter for each type of service. The Audit Committee has considered whether the provision of non-audit services is compatible with the independent auditors' independence and satisfied itself as to the auditors' independence.

The Audit Committee and the Board has selected Baker Tilly as the Corporation's independent auditors for the year ending December 31, 2020.
